**Re: U.S. ex rel. Urban v. McKesson Corp., - No. 15-cv-5148**

Dear Judge Brody:

Relator Joseph John Urban, through his attorney, David C. Kane, Esq., hereby requests this Honorable Court to extend the time within which to effectuate service of process of the Summons and Complaint on Defendant for a period of 90 days.

On November 15, 2018, The United States filed a notice of Election to Decline Intervention and requested the Honorable Court to lift the seal on the complaint and served upon the defendant by the relator in the above-mentioned matter. On November 19, Judge Brody signed the Order. Rule 4(m) of the Federal Rules of Civil Procedures provides that summons and complaint shall be served on a defendant within 90 days. Under such rule, the current deadline to serve the defendant is February 17, 2019.

Relator Joseph John Urban respectfully request an extension because he needs more time to discuss with counsel to determine whether he will maintain the action in the name of The United States or requests that the action be dismissed.

Should you have any questions, please do not hesitate to contact me directly.

Very truly yours,

  
David C. Kane, Esq.
